Expansion of Space

In August 2007, the Spirit of Success Career Clothing Connection completed its renovation to accommodate more clothing. We now have 3,000 square feet of space. We are committed to providing adequate accommodations for all of our items. In our first room, we have enough space for the majority of our clothing from sizes 2-20. Our second room is our shoe room where we stock roughly 200 pairs of shoes. Our third room is our "Specialty Clothing" room, where one can find a variety of designer label and semi-formal to formal attire. We also have a nicely spaced dressing room which comfortably fits the ladies as they try on the attire.

Please come and visit and take advantage of the "gently used" quality clothing at amazingly discounted prices!! We are located at 2000 Powers Ferry Road, Suite 2-3, at the corner of Powers Ferry and Windy Hill Road in Marietta, Georgia. Please call **Stacy Taylor at (770)956-0711** for more information. We look forward to seeing you at The Spirit of Success Career Clothing Connection!

We have trained professionals who can show you how! Bring your girlfriends for a fun shopping excursion!

Seminars & Workshops Offered at CCC

One of our main missions here at the CCC is to help women feel good about themselves in a non-threatening and uplifting manner. We are now offering workshops and empowerment seminars to the clients we serve as well as the public. Some of the programs we offer are as follows: How To Build Your Wardrobe on a Budget, Career Dress For Success, Etiquette & Table Manners, and Writing Your Own Script taught by our very own Kathy Lewis, author of the

very inspiring book, **“It Is Done- Miracles Still Happen”**. Kathy and I have a shared vision-we both believe we are here to plant seeds of goodness so others may benefit from the harvest. If you would like more information on any of the workshops & seminars please feel free to contact: **Stacy Taylor at (770) 956-0711** for further information.

“Helping Women Look and Feel Fabulous Inside and Out!”

The Spirit of Success Career Clothing Connection has been in existence since April of 2006. Thus far, we have helped close to a thousand women with professional clothing for interviewing and job searching purposes. We are also partnered with a local salon which so graciously offered hair care

services, so not only will the women look good with the clothing we provide, they will also receive hairstyling, and hair consulting to help them feel good. We want to help women look and feel fabulous inside and out. We will continue to provide quality clothes and services to the community

and we will also continue to keep agencies, partners and the community updated with information as we grow and go forward.

Community Partners

We would like to take this opportunity to thank our community partners who help us on a continuous basis. Your involvement as a community partner is a very intricate part of our non-profit organization. We would like to thank the following agencies for their assistance and support, Must Ministries, Small Ministries Forum, Cobb Collaborative, The Edge Connection, Cobb Works,

DFACS, and New Connections To Work. Thank you again for your support. We hope to continue to develop partnerships in the community that create lasting change by bringing together people and resources that will address community-wide problems and issues. If you would like to become a community partner with the CCC, please contact Stacy Taylor at (770) 956-0711.

Monthly Drawings & Giveaways

At our Extravaganza Sale for the month of November, participants entered a drawing to win a lovely bracelet. The winner for November's drawing was: **Michelle Cushing of Kennesaw, Georgia.** Congratulations Michelle! We hope you enjoy your lovely gift! We will have monthly drawings and giveaways for everyone to participate in. Remember to bring your business cards to the next sale!

Networking & Connecting Mixers!

Our goal for facilitating the networking & connecting mixers is to assist people in the community to connect and foster relationships as synergies and opportunities are built. This is your chance to meet "like-minded" individuals with common goals who are committed to helping each other. Set a goal to meet at least 5 people you could follow up with regarding your goals, ideas and your organization

and/or business. This is an excellent way to build word-of-mouth marketing for your business! We want you to attend these networking/connecting mixers with the attitude that you are there to create and foster relationships. Taking an interest in others and getting to know them is an excellent way to build trust with that person. We look forward to seeing you on January 10, 2008 at 7:00 p.m. for

our first annual Networking & Connecting Mixer. Bring plenty of business cards and get ready to connect and meet potential collaborators! Let's have some fun and let's do it all in the name of The Spirit of Success!

"Building and fostering relationships throughout our communities"

Giving

Let us be mindful of how important giving back really is. One can get so much more out of life from volunteering and giving back to the community. The act of giving can be one of the most rewarding feelings to a person. A few examples of giving back are: reading to the elderly at a assisted living facility, mentoring our young teenagers and young adults, assisting in serving food to the homeless.

I have a question: Why do we need a *season* to have a *reason* to give? My personal favorite is "Random Acts of Kindness". This involves doing something for someone and not telling anyone (including that person) you did it. It is one of the most rewarding and liberating feelings in the world!!! Give from your heart!

Helping Women Look & Feel Fabulous Inside & Out!

Our purpose at the CCC is to assist women who are transitioning back into the workforce by providing professional business attire for job searching and interviewing purposes. Our main goal is to help women feel good about themselves in an up-lifting environment and manner. We want to uplift women and touch lives daily and we do it in the name of “**The Spirit of Success**”
