

Our purpose is to assist women who are transitioning back into the work force by providing professional business attire for job interviews.

The Career Clothing Connection wants to assist women in helping them feel good about themselves in a positive, uplifting manner and we do it all in the name of “The Spirit of Success!”

We have gently used items such as: Suits, skirts, blouses, jackets, dresses and shoes. We also have accessories available.

To receive a “free” professional business outfit, a referral letter from any state agency such as DFACS, DOL, Workforce Programs or any non-profit agency **MUST** be provided. Please contact Stacy Taylor at (770) 956-0711 for further questions and details.
